By the way Gourai, did you happen to hear some strange noise at night?

I haven't.

Like there's something running around ..

I think I'd like to meet her.

Since she just got here, that means she's our junior!

But Master's permission...

It's a good thing I can fly, huh!

!

Oh, there's just no helping you! I'll take you there!

Here we go!

カッ

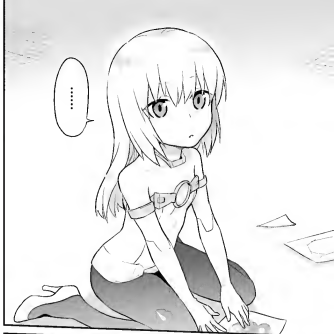

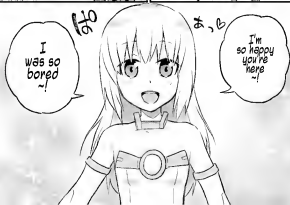

Wow!

You know,
My name's
Baselard!

But
you can
call me Baaze!
What's your
name?

I-I'm
Styler!

Hello,
Baaze.
My name is
Goural.

So
how
long have
you been
here
for?

...I heard
something
that sounded
like laughing
voices from
the dark
hallway
...

I think
it was
around
midnight
...

You know,
I do properly
sleep at night,
but...

?

I thought it was
weird since all
the staff had
gone home by now
and took a look at
the hallway when...

And
then I saw it!
The white
silhouette of
what looked
like a lone
FA GIRL
walking
by!!

6/6 twitch

Really now... there's no way a FA GIRL like that would exist.

FRAME ARMS GIRL: LAB DAYS CHAPTER 3

Translated, typeset by Gav
Redraws by Masterspark

Translator's notes:
Baselard actually takes
in the third person using the name "Baaze",
which Fujisaki also calls her, as well.

Since this is a pain in the ass to work with,
I've gone and just changed it so that
it's a nickname for her.

Thanks for reading!!
